MARKET RELEASE

Xero partners with British Telecom

11 May 2009

Leading online accounting solution provider Xero, announces it has entered a reseller agreement with UK telecommunications giant British Telecom Group plc.

Xero will offer its award-winning service to BT small business customers via their business applications service portal.

Xero was selected after an extensive evaluation process to be made available to BT's over 1.7 million small business customers.

Over the next two months Xero will complete integration with the BT platform. The solution will be available around July.
