MARKET RELEASE

Xero and HSBC team up

26 May 2009

Xero announced today that daily automated bank feeds from HSBC Bank are available immediately into their award-winning online accounting software.

Bank feeds are a key feature of Xero as they enable HSBC customers to have their online bank statements seamlessly imported into Xero.

Xero already has direct bank feeds with most of the major banks in New Zealand and Australia. HSBC is the first bank to provide bank feeds in the UK.
