What is the Forward Fund?

The Forward Fund is a scholarship from Xero to support the next generation of accounting. Xero is partnering with accounting and bookkeeping firms to award three (3) current accounting and finance students with $10,000.

Who is eligible?

Current U.S. college and university students pursuing a career in finance or accounting. Students must be nominated by a Xero partner firm.

Key dates

Student Registration open: March 9
Student Registration closes: April 20
Winner Announced: May 12

How do I apply?

Answer the following questions with a video (no longer than 1 min) or essay with photo (no longer than 200 words):

“Why are you pursuing a career in accounting” AND
“How do you think accounting will evolve in the future”

Find an accounting or bookkeeping firm using Xero to nominate you for the Forward Fund.
